

CJ-500 Ethical Dilemmas and Decisions in Criminal Justice

Description:

This course offers comprehensive coverage of ethics across the criminal justice system. CJ-500 presents the philosophical principles and theories that are the foundation of ethical decision making, as well as challenges and issues in criminal justice--the Black Lives Matter movement and the Ferguson Effect, the militarization of the police, mass imprisonment, wrongful convictions and the misuse of power, among others. The course includes digital learning solutions that power students' mastery of key concepts while engaging them with video cases, career scenarios, visual summaries, and more.
