

WOL-902 Family Law

Description:

WOL-902 is a comprehensive introduction to modern family law for the paralegal, covering substantive and procedural law with a strong practical emphasis. In addition to fundamental principles of family law and nationwide legal practices, this course includes state-specific assignments. Legal analysis exercises help students apply substantive legal principles, while sample checklists, forms, documents, cases, and exhibits provide exposure to real-world tools and processes. New content includes updated coverage of evolving legal issues such as same-sex marriage, adoption, fertility, stem cell research, legal ethics, and the role of technology in law.
